

Junior Robotics Competition 2018 Robo•Junior

Vanier College Information Package

College Location:

Vanier College
821 Sainte-Croix
Montréal Québec H4X 3X9

A full set of directions both by public transit and by car is available at the college website here:
<http://www.vaniercollege.qc.ca/contact-vanier/>.

Event Entrance

The entrance to the competition area is located just to the left and beneath the main entrance to the college, near the bookstore. The welcome tables will be situated right beside the bookstore entrance. Please note that there is no public parking beside the competition entrance. To avoid congestion, please limit the time you spend dropping off participants and material.

Parking:

Parking is very limited at Vanier College and is managed by an external company, so the regulations are quite severe!

- Parking on campus is not free! Passes (\$3/h or \$10/day) may be purchased from the machines in lots P6 and P7. **Vehicles not displaying a valid parking permit will be ticketed and towed** - since the parking is managed by an external company, we don't have any control over this! Also, Vanier College unfortunately has to pay for any parking passes we give away, and due to recent budget cuts we are unable to supply parking passes.
- On campus **visitor parking is in lot P7**, at the end of the parking lot closest Chemin Côte Vertu, past the sports complex. Visitors parking in any other location will be **ticketed and towed**.
- The private company which manages our parking is very strict – please don't run any risks.

- If you don't mind walking (10-15 min), there is free, on-street parking north of Cote-Vertu and East of Avenue O'Brien in the residential neighborhoods. The further north you go, the less restrictive the parking regulations.

Pre-order Lunch! See 2018 JRC Lunch Order Form (separate document)

- Our student café will offer \$6.50 lunches (taxes in) on a pre-ordered and basis only. Orders must be received by Friday, April 13th. See attached form for more information.

If you don't pre-order lunch, food is available at the following locations:

- The student café is located on the first floor of the F-wing and will be open on both Friday and Saturday.
- The College Cafeteria is located on the first floor of the D-wing in the main building, and is open on Friday
- If the above options aren't enough, restaurants can be found on Boulevard Décarie, located five blocks west of Vanier Campus. (See the map below- Vanier is located at the A). You can choose from a wide variety of restaurants from Vietnamese to Submarine sandwiches and more.

Specific Locations of Events

- The competition itself will take place on the first level (semi-basement) of the F and D-wings of the main building, and on the third floor of the E-wing.
- Judging for the Creative Performance competition will take place on the second floor of the F-building in room F-216.
- The Awards Ceremony will take place in the Auditorium, located on the first floor of the A-wing.
- Please note that classes will be going on as usual on Friday during the competition.
